Our summer campers will have the opportunity to go on day trips, and to participate in the theme days of the week. Black Belt Karate Academy is all about incorporating the martial arts with fun! Our certified, experienced instructors use martial arts games as disguised repetition to reinforce what the children learn during their lessons. We educate our campers in the quality of life skills necessary to be on the black belt level. Responsibility, self-confidence, respect, honesty, self-discipline and integrity are just a few of the qualities that we reinforce. We combine this with physical fitness and proper nutrition for a well-rounded day camp.

WE SPECIALIZE IN FUN!

So, if you're looking for something different this summer, something fun, motivational and educational, learning all the qualities of a black belt martial artist - then Black Belt Karate Academy is the place to be!! Call us to find out what's on our exciting schedule and how it can benefit your child to be a part of this fantastic summer experience!!
